**Re: United States v. Alphonse Trucchio et al.
SI 11 Cr. 614 (VM)
Defendant Alexander Beleson**

Dear Judge Marrero:

The Government respectfully submits this response to a letter submitted by defendant Alexander Beleson on February 27, 2012, requesting that his bail conditions be expanded to allow him to travel, reside, and work in California. Having now received from the defendant specific information about the employment and his place of residence in California, the Government and Pre-trial Services do not object to the request. It is our understanding that the defendant will be supervised directly by Pre-trial Services in the Central District of California and that he will appear in person at all proceedings in this case.

Respectfully submitted,

PREET BHARARA
United States Attorney
Southern District of New York
